7. Any person i.e. visitor or exhibitor, found interfering with any exhibit other than their own will be asked to leave the grounds and will be disqualified from competing at this or future Shows of the Society.

*****RIGHT OF ADMISSION RESERVED*****

Important Notice to Animal Owners involved in showing animals at shows.

The Irish Shows Association would advise all Animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little or nothing at all depending on who you have insurance cover with.

The reason for us giving you this advice is that if your animal were to lash out, and injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused and could end up paying all, or part of any settlement reached.

Horse riding is a dangerous sport and all competitors in Ridden Classes are strongly advised, for their own safety, to wear appropriate head gear which complies with up to date safety standards.

DISCIPLINE

See <http://irishshows.org/discipline/> for full ISA Discipline procedure

The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour.

Inappropriate behaviour shall include but not be limited to the following:

- Profanity, coarse or vulgar language or gestures towards judges, exhibitors or other Show officials
- Harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following Member Show activities □ Failure to follow rules and/or obey instructions
- Abusing any animal.

Disciplinary Procedures:

- Complaints of misconduct against an Exhibitor or other participant at a Member Show shall be investigated and adjudicated upon by a subcommittee appointed by the Irish Shows Association. The said subcommittee shall consist of three members of the board of the Irish Shows Association and shall be known as the Disciplinary Committee. The Disciplinary Committee shall seek to ensure the existence of consistent, effective, fair and transparent complaint procedures and shall act in accordance with natural and constitutional justice. More information can be found on our web site on www.irishshows.org

Moate Agricultural Show Society would like to express their appreciation to the Dept. of Agriculture, Horse Sport Ireland and Westmeath Co. Council for their generous support of our Show.
